In the event of any conflict between the Order's specific terms and provisions, including any exhibits or documents attached hereto or incorporated by reference herein, and the standard terms and conditions set forth herein, the specific terms and provisions shall prevail over the standard terms and conditions. These terms and conditions may not be waived or modified except as specifically set forth in writing by Micron.

2. **ACKNOWLEDGMENT AND ACCEPTANCE:** The issuance of this Order to Supplier constitutes an offer expressly limited to the terms contained herein. SUPPLIER'S ACCEPTANCE OF THIS ORDER IS EXPRESSLY LIMITED TO THE TERMS AND CONDITIONS CONTAINED HEREIN. ANY ADDITION OR CHANGE TO OR DELETION OF THESE TERMS BY SUPPLIER IN ANY PRIOR PROPOSAL, IN SUPPLIER'S ACKNOWLEDGMENT FORM OR OTHERWISE COMMUNICATED TO MICRON SHALL BE DEEMED A MATERIAL ALTERATION AND IS EXPRESSLY OBJECTED TO AND REJECTED BY MICRON. Micron may revoke this offer at any time prior to Supplier's acceptance. Unless Supplier notifies Micron of its acceptance of this offer within twenty (20) days of the date hereof, this offer shall expire at Micron's option without liability.

3. **TECHNICAL INFORMATION:** All specifications, drawings, schematics, technical information, notes, instructions or other information referred to on the face of this Order or contained in attachments or exhibits hereto are deemed to be incorporated herein by reference, and Supplier expressly acknowledges that it has received and read such referenced information and will treat it as Confidential Information in accordance with Section 15 hereof.

4. **PRICE AND DELIVERY:** Supplier shall furnish the goods or services in strict accordance with the price and delivery schedule stated herein. TIME IS OF THE ESSENCE with respect to all of Supplier's performance hereunder. Unless otherwise stated, prices include all charges for inspection and packaging, all federal, state and municipal sales, use and excise taxes, goods and services tax and any customs duties not otherwise paid or provided for by Micron, as per the applicable laws, including but not limited to all rules, regulations, ordinances, notifications, by-laws, statutes, orders, treaties, codes, guidelines, policies, notices, directions, judgments, decrees or other directives of any governmental authority (#Law#). If Micron is prohibited by Law from making payments to Supplier unless Micron deducts or withholds taxes therefrom and remits such taxes to the local taxation/government authorities, then Micron shall duly withhold such taxes and shall pay to Supplier the remaining net amount after the taxes have been withheld. Micron shall not reimburse Supplier for the amount of such taxes withheld. When goods are delivered and/or services are provided or the benefit of services occurs within jurisdictions in which Supplier's collection and remittance of taxes is required by Law, Supplier shall have sole responsibility for payment of said taxes to the appropriate tax authorities. If Supplier does not collect tax from Micron, and it is subsequently audited by any tax authority, liability of Micron will be limited to the tax assessed, with no reimbursement for penalty or interest charges. Micron reserves the right to have a confidential third-party audit conducted to ensure Supplier's compliance with this Order. Supplier shall immediately notify Micron in writing when Supplier first has knowledge of any impending material shortage, governmental regulation, labor dispute or other event or impediment that could result in any delay in the delivery of the goods or performance of the services hereunder. Micron may reject any shipment not meeting these requirements. If: (a) due to Supplier's failure to timely ship the goods; or (b) the specified method of transportation would not permit Supplier to meet the delivery date specified in this Order, Supplier shall, at Supplier's sole cost and expense, ship such goods by air transportation or other expedited means acceptable to Micron. Upon Micron's request, Supplier will promptly provide Micron with a statement of origin for all goods and applicable customs documentation for goods wholly or partially manufactured outside of the country of import.

The time periods for any cash discount or payment shall commence on the later of the date the goods are received or the services are provided (as the case may be) or the date Micron receives a proper invoice for such goods and services.
